

January 15, 2015

Greetings,

Green Horizon Land Trust is a local, nonprofit, 501(C)(3) Florida corporation incorporated in 1991, created to preserve environmentally valuable or sensitive lands and open space areas in and around the Central Florida Ridge for the benefit of the general public, and to educate the public as to the importance of such lands and their preservation. The Trust is governed by a Board of Directors consisting of local individuals from such diverse fields as business, law, banking, real estate, land planning and conservation.

Green Horizon uses a variety of creative methods to achieve its land conservation goals and to financially benefit donors. Conservation may be accomplished through outright purchases, bargain sales, donations, conservation easements, limited development agreements or similar techniques.

As a non-profit 501(c)(3) tax-exempt organization, we are dependent upon donations and fundraising to underwrite projects that enrich the community with a peaceful, natural environment.

We are planning an annual membership meeting and dinner at Bok Tower Gardens on Sunday, March 15, 2015 and currently seeking sponsors for invitations, reception, awards and raffle/silent auction items. Would you or your business be able to provide sponsorship assistance in any of these areas?

Please let me know if Green Horizon Land Trust and your business might be able to partner to help make the annual meeting a huge success. Thank you!

Sincerely,

Rachelle Coleman Selser
Executive Director
